

KEY BISCAYNE LIFE ENHANCEMENT FORUM PRESENTS

# Eating to Prevent Cancer: *The Emerging Science*

## LECTURE WITH DR. NICK BORJA

Dr. Nick Borja was born in Miami, FL and graduated from medical school at the University of Pennsylvania. He trained in general surgery at Parkland Hospital and completed a postdoctoral fellowship in cancer genetics at the University of Texas Southwestern.

Dr. Borja believes in the importance of prevention for fighting cancer and other chronic diseases. His practice focuses on helping individuals make lifestyle changes to reach their best health. To that end, Dr. Borja offers one-on-one coaching, cooking demonstrations, and nutrition education events for the community. To learn more, please visit [nickborjamd.com](http://nickborjamd.com)

This event is free and open to the public. If you have any questions, please email us at [info@keybiscaynefoundation.org](mailto:info@keybiscaynefoundation.org) or call us at (305) 361-2770.
